REQUEST FOR USATF GEORGIA ASSOCIATION OFFICIALS TRAVEL GRANT

The purpose of the travel grant is to reimburse a portion of the travel expenses of officials who work USATF National Championship competitions. Any current Georgia Association USATF official is eligible to apply (see Requirements below). Qualified officials can use the travel grant as a means to offset expenses paid to travel to a national meet.

Depending on the availability of funds, it is anticipated that six (6) travel grants will be made each year.

- Three (3) grants will be reserved for those officials selected by the USATF National Officials Committee (NOC) to work USATF National Track and Field Championships.
- Three (3) grants will be reserved for officials selected for other USATF National Championships such as USATF Youth, Masters, Junior Olympics Track & Field, or Cross Country National Championships.
